SKILLS

- **Languages:** C, C++ , Python
- **Technologies:** HTML, CSS, Node.js, React, Express.js
- **Databases/Tools:** MySQL, MongoDB, Git, GitHub, Figma
- **Soft Skills:** Problem solving, Team collaboration, Time management, Adaptability

PROJECTS

Student Grade Management System | Python, File Handling, Data Processing

Nov' 25

- Developed a Python-based Student Grade Management System to efficiently store, manage, and process student marks and academic performance.
- Implemented features to calculate total marks, percentage, average, and grades automatically using conditional statements, functions, loops, and lists.
- Utilized file handling to save and retrieve student records, reducing manual calculations and providing a simple and accurate academic record management solution.

Personal Portfolio Website | HTML, CSS, Responsive Web Design

Sept' 25

- Designed and developed a responsive personal portfolio website using HTML and CSS to showcase skills, projects, education, certifications, and contact information.
- Created an attractive and user-friendly interface using structured layouts, navigation menus, interactive buttons, and responsive styling for different screen sizes.
- Improved accessibility and presentation by organizing content into dedicated sections and optimizing the website for smooth navigation across desktop and mobile devices.

Student Expense Tracker | Python, File Handling, Data Analysis

- Developed a Python-based Expense Tracker application to record and manage daily expenses across categories such as food, travel, shopping, and education.
- Implemented features for adding, viewing, searching, and calculating expenses along with category-wise and total expenditure summaries.
- Applied Python functions, file handling, conditional statements, and loops to securely store expense records and provide accurate spending analysis.

CERTIFICATES

- | | |
|------------------|----------|
| • C Programming | Aug 2026 |
| • Cyber Security | Sep 2026 |
| • Hacathon | May 2026 |

ACHIEVEMENTS

- Solved more than **200** programming problems on online coding platforms during regular practice and learning.
- Achieved the **LeetCode 100 Days** Badge by maintaining consistent daily problem solving over time.
- Ranked **Top 50 among 6+ teams** in a college hackathon with an innovative web solution prototype.

EDUCATION

- | | |
|---|--|
| Lovely Professional University
• Bachelor of Technology - Computer Science and Engineering; CGPA: 6.50 | Phagwara, Punjab
July 2025 - Present |
| Rajshahi Metropolitan college
• Higher Secondary Education; Percentage: 76.1% | Rajshahi,Dhaka,Bangladesh
April 2021 - Mar 2023 |
| Sristy Academic School,Tangail
• Secondary Education; Percentage: 87.7 | Tangail,Dhaka,Bangladesh
Jan 2020 - Feb 2021 |
